Parents and/or Guardians: Responsibility/Legal Code

Please be advised that the Alabama legislature has recently passed several legislative acts that may have important implications for you. The information listed below is to inform you of the requirements of those statutory provisions.

Section 16- 28- 12, Code of Alabama, which is known as the Parental Responsibility Act provides that parents and/or guardians have a legal duty to compel their child to properly conduct himself or herself in school in accordance with the school's written Code of Conduct. That statutory provision authorizes the District Attorney to file an action against the parent or guardian of a disobedient student for failing to require his or her child to exhibit proper conduct. If found guilty, the parent or guardian may be fined up to \$100.00 and sentenced up to 90 days in the Dale County Jail.

It is also important to remind all parents and/or guardians about the truancy laws of this state. Section 16- 28- 3, Code of Alabama requires that all children enrolled in school must attend on a regular and consistent basis. If the student fails to regularly attend school the child may be adjudicated as a child in Need of Supervision and appropriate sanctions can be imposed on the child. The law of this state further allows the parent or guardian to be fined and/or sentenced to a period of incarceration for failing to require their child to attend school. Driving-age students as well as their parents and/or guardians need to be aware of Legislative Acts 95- 766 and 93- 352. Those acts provide for the loss of the driver's license (for up to six months) of any person adjudicated a juvenile delinquent or youthful offender for violation of any of the following offenses: (1) the purchase, consumption or possession (whether that possession is constructive or actual) of alcoholic beverages; (2) obtaining or attempting to obtain alcoholic beverages by a false or forged driver's license; or (3) possession of marijuana.

January 6 – March 12, 2021

March 14 – May 26, 2021

GRADING SYSTEM:

Kindergarten through twelfth grade students will receive a report card at the end of each nine weeks grading period. Report cards should be signed by parents of students in grades K-6. The fourth nine weeks' report card must be picked up or mailed (student must provide a self-addressed, stamped envelope). Students are charged with the responsibility of showing their progress reports and report cards to their parents.

HONOR ROLL:

The "A" Honor Roll is for those students making all "A's" on the report card for that grading period. The "A-B" Honor Roll is for those students with no grade lower than A or B on the report card for a particular grading period. The Yearly "A" Honor Roll is for those students making all "A's" in each subject for each grading period. The Yearly "A-B" Honor Roll is for those students with no grades below a "B" in each subject for each grading period.

HOMEWORK:

Each student is expected to complete all homework assignments during the year. These assignments will vary throughout the year and from teacher to teacher. Parents are asked to encourage pride in having completed well-done assignments. If at any time a question arises concerning homework, parents are encouraged to contact the teacher for a conference. Homework is never used as a form of student punishment.

CHECK WRITING/BAD CHECKS NOTICE:

Your check is welcome at all schools in the Dale County School System. The Dale County School System recognizes that occasionally a parent may inadvertently overdraw a checking account and a check may be returned by your bank. In order to recover these funds in a private and professional manner, the Dale County School will seek legal measures to collect on returned checks.

Each person writing a check to a school or the School System should write the check on a commercially printed check with your name, address, and one phone number. Counter or starter checks will not be accepted. When a person writes a check to a school or the School System, the person writing the check agrees that, if the check is returned that it may be represented electronically on the same account, and that the fee established by law, now \$30, may be debited from the same account.

PARENTS AND VISITORS

We want you to feel welcome on our campus; however, for the safety and security of our students and staff, **all visitors must report to the office, sign in, and be given a visitor's pass (which is to be worn while on campus) before visiting students, teachers, or other staff members.** Only approved visitors will be given a pass from the office and that for school related issues. Students are not to bring relatives, friends, etc. to school. No loitering or soliciting is allowed on campus.

STUDENT RESPONSIBILITIES AND POLICIES

Morning Arrival

Students are not to be on campus before 7:15 a.m. Teachers are not available to supervise before this time. Students who drive a vehicle to school should leave their vehicle upon arrival on campus.

SCHOOL BUS POLICY

- Students will be permitted to load or unload from the bus at their assigned neighborhood bus stop and their assigned schools.
- Bus drivers will not stop for students to load/unload at any other locations.
- Any changes to this procedure will require a written parental request and approved by the school administration, BEFORE the student will be allowed to ride an unassigned bus.
- The bus schedule will be as consistent as possible. There should be very few times when the bus is not on time to pick up or drop off students. All students should be waiting at the assigned stop prior to the bus arrival. The bus cannot and will not wait for students that are not at the assigned stop due to the time and safety factors involved. Students should stand a minimum of 10 feet away from the road in an orderly fashion. During rainy days, the students should be watching for the arrival of the bus and move as quickly as is safely possible to the assigned stop as the bus arrives.

“It is unlawful to enter a public school bus while the door is open to load or unload students without a lawful purpose, while at a railroad grade crossing, or after being forbidden from doing so by the authorized school bus driver in charge of the bus, or upon the demand of a principal of a school to which the bus is assigned or other duly authorized system official.” Alabama House Bill 105

School Bus Rules:

- Always follow bus driver instructions.
- Remain seated in assigned seat, face the front of the bus, and keep the aisle clear.
- Nothing should be thrown out of the windows; no objects should be thrown inside the bus; vandalism of the bus is prohibited.
- Maintain a low noise level, so as not to distract the driver. There should be absolute silence at all railroad crossings.
- No food, drink, gum, profanity, tobacco, or electronic devices (including cell phones) should be on the bus.
- Students will adhere to the school dress code while riding on a school bus.
- All school rules apply while on a school bus.

Your child’s driver is charged with the responsibility of maintaining bus discipline in order to provide the safest possible means of transportation.

Actions for Violation of Rules:

Level 1 – Minor rule violations.

Verbal reminders of expected conduct, driver may reassign seat, quiet rides, parent notes/calls.

Level 2 – Referred by driver as not responsive to Level 1 discipline and /or Serious Safety Violations.

When normal efforts of maintaining appropriate behavior are not effective your child’s principal will be involved for assistance to correct behavior (short term bus suspension, corporal punishment).

Level 3 – Student not responsive to Level 2 discipline and/or Major Offenses.

At the recommendation of the principal, the student will have bus privileges suspended for the remainder of the school year. The principal may refer the student to the Superintendent for administrative action. The Superintendent will then decide if the matter will go before The Dale County Board of Education for possible disciplinary action.

Please remember: It is a privilege to ride a bus, not a right

Student Parking

Students driving cars to school must purchase the current school year's decal and park in the approved student parking spaces. Parking decals will be sold for \$10.00 each (\$5.00 if purchased during 2nd Semester). To purchase a parking decal; students must show a valid driver's license and proof of insurance. *Parking decal is to be displayed on the driver's side of the front windshield.* **Students are not to sit in parked cars after arriving on campus.** Cars are not to be moved during the day without administrative approval. All cars should be locked after arriving in the morning. Students who ride a bus to school or are brought by parents or friends are not allowed to go to the parking lot.

Parking Regulations:

1. Park correctly.
2. Do not return to the parking area until the end of the day, unless written permission has been given by an administrator or checking out.
3. Observe the speed laws at all times - 5 miles per hour maximum in the parking areas.
4. All drivers must have a valid driver's license and purchase/display a valid parking sticker.
5. Vehicles driven on campus must have liability insurance.
6. Students are to leave vehicles immediately upon arriving in the morning.
7. Parents should not drop students off in the student parking lot.
8. **THE SCHOOL IS NOT RESPONSIBLE FOR DAMAGE TO VEHICLES WHILE ON OR OFF CAMPUS.**

* **Parking is a privilege!** Any violation of the campus parking lot policy may result in a loss of parking privilege, including non-purchase of decals.

THE ADMINISTRATION RESERVES THE RIGHT TO REVOKE THE PARKING PRIVILEGES OF ANY STUDENT WHO DOES NOT OBSERVE THE PARKING REGULATIONS. GEORGE W. LONG SCHOOL IS NOT RESPONSIBLE FOR ANY DAMAGES INCURRED TO VEHICLES PARKED ON THE SCHOOL PREMISES. IF A STUDENT PARTICIPATES IN DEFACING OR VANDALIZING ANY VEHICLE, HE/SHE WILL BE SUBJECT TO DISCIPLINARY ACTION.

Vehicle Search

Any vehicle entering the property of George W. Long High School is subject to search of the entire vehicle.

Personal Property

Students should not bring valuables to school. To avoid theft, do not leave valuables unattended in classrooms, hall lockers or in the PE locker rooms. The school will not be responsible for losses.

Locker Information

Students will receive locker assignments from their homeroom teacher. Even though reports of stolen property will be investigated, the school cannot be held responsible for items lost, damaged or taken from the locker since they are not security lockers. A service charge of \$8.00 per year is required and should be paid at the time the locker is issued. Please be aware of the following:

1. Lockers are to be used by one person and that person is responsible for damages to the lock or the locker and for all books stored in them.
2. Lockers are to be kept locked at all times. The school is not responsible for stolen articles. Report problems with lockers to the assistant principal.
3. Students are encouraged to go to their lockers only before first block, at the beginning or the end of break, and at the end of the day.
4. The administrators reserve the right to enter the lockers at any time.
5. Students must leave book bags in their lockers.

Bookbags

You will be allowed to bring a book bag to school, but you may not take them to any classrooms. You can use them to bring materials to and from school, but they should be kept in your locker during the day. Time will be allotted between classes to go to lockers.

Unauthorized use of cellular phones and all other electronic devices are not allowed (see board policy 5.83). Students will only be allowed to travel to the lunchroom, break area and the Ag building by way of outside travel. All students must enter the school from the front entrance each morning. The front doors will be open for students at 7:45 a.m.

Food and Drink

No food or drinks will be allowed by students in the building or classrooms. Adequate time is allotted at break and lunch for such items. Anything sold in a classroom must have administrator's approval.

A break time will be provided each day for students. During break, students are to remain in the designated break area. STUDENTS ARE NOT TO CARRY FOOD AND DRINK ITEMS INTO THE HALLS OR CLASSROOMS DURING OR AFTER BREAK

School Cafeteria

We have Offer vs. Serve Lunch Program. Students serve themselves. Students are offered a selection from the following five categories: milk, bread, meat, vegetables, and fruits. Every child participating in the program must select from at least three categories. A variety of selections are available each day.

We encourage prepayments for meals by the week, month, or even year. Students are issued a 4-digit Personal Identification Number (PIN) that will go with them through all school years at Dale County Schools. When students enter the PIN, their account is reduced by meals purchased and any ala carte purchased. Account information is available to parents at any time. Contact the lunchroom manager for balance information. Any balance remaining at the end of the year will transfer with the students to the next grade level or school within Dale County School System.

It is the intent of Dale County Schools to provide an opportunity for each student to eat a nutritious breakfast and lunch during the school day. It is necessary for all meals to be paid for before or at the time of service. Students are encouraged to make regular deposits into their school menu account.

It is the ultimate goal of Dale County Schools to help educate our students on the importance of their nutrition choices and physical activity. There are six areas that will be addressed according to Public Law 108-265:

- * Setting Nutrition Education Goals
- * Ensuring Healthy Food Choices and Environment in the cafeteria
- * Ensuring Healthy School Parties

MENINGOCOCCAL DISEASE AND VACCINE

What is meningococcal disease?

Meningococcal disease is a serious illness, caused by bacteria. It is the leading cause of bacterial meningitis in children 2-18 years old in the United States.

How do you catch the disease?

The bacteria that cause meningococcal disease are very common. The disease is most common in children and people with certain medical conditions that affect their immune system. College freshman living in dormitories also have increased risk of getting the disease. The disease is spread through the exchange of respiratory droplets or saliva with an infected person, including kissing, coughing, sneezing, and sharing drinking glasses and eating utensils. In a few people, the bacteria overcome the body's immune system and pass through the lining of the nose and throat into the bloodstream where they cause meningitis. Meningitis is a term that describes inflammation of the tissues surrounding the brain and spinal cord.

What are the symptoms of the disease?

- Fever
- Headache
- Stiff neck
- Red rash
- Drowsiness
- Nausea and vomiting

Meningococcal vaccine: Who should get the vaccine and when?

SYSTEM-WIDE DISCIPLINARY POLICY

The Dale County Board of Education Student Code of Conduct represents system-wide disciplinary policy. The maintenance of order in the school is a necessity. Students are expected to conduct themselves properly at all times. The school has the prerogative to determine if conduct interferes with the educational process and the means by which the conduct may be corrected. Students may be referred to the principal's office or his/her designee. Disciplinary interventions may include, but are not limited to, conference with school authorities, referral to the Department of Youth Services, parent conferences, break detention, after school detention, before school detention, corporal punishment (padding), in-school suspension, out of school suspension, alternative school and/or expulsion. All Dale County students and parents/guardians are responsible for being thoroughly familiar with all aspects of the Student Code of Conduct included in this handbook. Any parent, guardian, or other person having control

or custody of any child enrolled in public school who fails to compel the child to properly conduct himself/herself as a pupil in accordance with the written policy on school behavior adopted by the local Board of Education and documented by the appropriate school official which action may result in a suspension of the pupil, shall be reported by the principals to the Superintendent of Education of the school system in which the suspected violation occurred. The Superintendent of Education or designee shall report suspected violations to the district attorney within ten days. (Alabama Code 16-28-12)

DEMERIT SYSTEM

Disciplinary violations are grouped into four categories. Demerits are assigned to each category as shown below:

Class I:	1 demerit per referral
Class II:	3 demerits per referral
Class III:	6 demerits per referral
Class IV:	12 demerits per referral

Accumulation of Demerits: When a student receives a disciplinary referral, the school administrator or designee reviews the student's disciplinary record. The school official then calculates the total demerits accumulated by the student during the current eighteen-week term. Disciplinary action is then determined by the total demerits received by the student during the current eighteen-week term. There are several concepts to keep in mind concerning the demerit system and disciplinary action assigned.

1. Demerits are cumulative throughout each eighteen-week term.
2. Disciplinary actions are assigned based on the total demerits accumulated during each eighteen-week term (not on the individual violation).
3. The severity of disciplinary actions increases as the student accumulates demerits.
4. Demerits are removed from consideration at the beginning of each eighteen-week term (generally in August and January).
5. Only those demerits accumulated during the current eighteen-week term are considered in assigning disciplinary action.

Disciplinary Actions Based on Accumulated Demerits: When a student is determined by a school official to be in violation of the Code of Conduct, a school official assigns disciplinary action(s) based on the total demerits accumulated by the student during the school term in which the violation occurred. The table below shows possible disciplinary action that school official may assign as a result of accumulated demerits.

1-4 demerits: Conference with the student, parental contact, parental conference, before school detention, break detention, after school detention, written assignments, apology to appropriate persons, corporal punishment, in-school-suspension, and/or other disciplinary action(s) as deemed appropriate by the principal or designee

5-8 demerits: Parental contact, parental conference, in-school suspension for up to three days, out-of-school-suspension of up to five days, corporal punishment, complaint filed with the Department of Youth Services, referral to the school counselor, Saturday School, Alternative School, other disciplinary action(s) as deemed appropriate by the principal or designee

9-11 demerits: Parental conference (required), in-school suspension for up to five school days, out-of-school-suspension for up to seven school days, corporal punishment, Saturday school for up to three days, Alternative School, complaint filed with the Department of Youth Services (required), other disciplinary action(s) deemed appropriate by the principal or designee, other legal action as deemed appropriate by the principal with possible consultation with legal and/or court officials.

12 or more: Removal from campus by legal authorities, out-of-school-suspension for up to ten school days, Alternative School, referral to appropriate court system, and/or referral to the Dale County Board of Education for possible expulsion, and/or other disciplinary action(s) deemed appropriate by the principal or designee.

ATTENDANCE

It is the belief of the Dale County Board of Education that regular school attendance is important to all students and to the school system. It is further believed that course content and grading procedures should be structured in such a fashion that regular attendance is necessary in order to successfully complete course requirements. Subject to parental guidance, each student must be responsible for his/her own attendance. Administrators and teachers will make every effort to encourage regular attendance by students and to solicit assistance from parents and guardians in accomplishing this objective.

ATTENDANCE POLICY

The attendance policy for the Dale County School System states that a student who is absent from any class more than five times per semester, except for absences documented by a health care provider or PRIOR permission on the principal will not receive credit for that class. A health care provider (physician, dentist, counselor, school nurse, etc.) or legal authority (court, sheriff, police, lawyer, etc.) MUST substantiate absences beyond five (5) days. Students who accumulate more than five (5) absences per term (August 10, 2018 – December 20, 2018) and (January 7, 2019 - May 23, 2019) from school or any given class will not receive credit for the course or courses in which they are enrolled.

*****NOTE: Dental/Orthodontic exams, Optical exams and Driver's Permit/License exams are excused for only 2 blocks unless noted on the excuse given by the physician or examiner of extenuating circumstances. See "Procedures" section for more information.**

Attendance Codes

A child's attendance from school may be excused only for the following reasons:

- XP Student too ill to attend school. Student brings a note from parent / guardian.
- XD Doctor's appointment
- 5X Inclement weather which would be dangerous to the life or health of the child if he / she attended school. **This will be determined by the Dale County School Board.**
- 7X Legal quarantine or death in the immediate family
- 8X Superintendent/Principal excuse based on extenuating circumstances**
- SB Student on an approved school related event

Any absence not covered by one of the above, i.e. work, truancy, suspension, or parental neglect will be unexcused and coded as 6X.

ATTENDANCE LETTERS

Attendance letters are mailed home to parents each semester for the following:

- 3 unexcused absences and/or parent notes – warning notification
- 5 unexcused absences and/or parent notes – referred to Dale County Early Warning Court
- 6 unexcused absences and/or parent notes - loss of credit
- After 7 unexcused absences (per school year) – truancy filed in the Dale County Juvenile Court on student.

****Note:** Students excused by the principal or superintendent for attendance at special events, based on parental request, shall be considered an excused absence, but shall not be considered perfect in attendance. **Such approval must be based on a written request submitted and approved in advance by the principal/superintendent.**

Note: A suspension is documented as an unexcused absence. **A student who is suspended will not be permitted to represent LHS or participate in any school activity during the school day or after school hours during the time of the suspension. **Work MAY be made up in Saturday School.**

PERFECT ATTENDANCE

Students achieve perfect attendance status if their records indicate NO attendance events in any and all classes except those designated as an approved school event. Attendance events include: absences, tardies, check-ins, and/or check-outs.

Procedures

A student's absence will be designated as excused or unexcused. When an absence occurs, the student will be required to bring a **written excuse within three (3) days upon returning**. If a written note is not brought to the 1st block teacher, **or office** on the day he / she returns the absence will be coded (6X). The student will have two more days to bring the written excuse; otherwise, the unexcused absence remains permanent. **It is the student's responsibility to bring a written excuse to the 1st block teacher, or office.** If the written excuse is from a parent/guardian, it must contain the date and reason for the absence, along with a parent signature. ***Upon loss of credit due to 6 accumulated absences (unexcused and/or parent notes) the student will be allowed to regain credit by attending Saturday School. This option will only be allowed once per school year.*** If the absence is due to a doctor's or legal appointment, the excuse should be signed by a physician or appropriate person on official stationery. Absences due to **death/funeral** requires a copy of the obituary/funeral service program stating the date, time and place of the funeral.

Tardy Policy

Every student is expected to be in class before the tardy bell rings. Students arriving to school after the tardy bell has rung must report to the office to check-in and receive an admit slip before reporting to class. On the 1st tardy, the student will be verbally warned, and upon the 2nd tardy the student will sign a tardy acknowledgement sheet. Students will be referred to the office for violation of the tardy policy when they receive their 4th tardy and on each subsequent tardy. The tardy policy will end with the conclusion of the first semester and "start over" with the beginning of the 2nd semester.

The following tardy policy will be in effect during the 2018-2019 school year.

- 2nd tardy: Sign acknowledgement sheet
- 3rd tardy: one day of break detention, as assigned by the referring teacher
- 1st referral to the office: one day of after school detention (ASD)
- 2nd referral to the office: one day of ISS
- 3rd referral to the office: one day of Saturday school

All tardy referrals after the 4th will result in one day of Out-of-School Suspension. Students need to remember that once the referral process begins for excessive tardies, it is the **number of times referred** that determines the action, **not** necessarily the number of tardies they have in each class.

Make-up Work

If a student is absent due to an excused reason, all work missed during the absence(s) can be completed and turned in for credit. If a student is absent for an unexcused reason, any work missed cannot be made up. **The student shall be responsible for arranging necessary make-up work.**

Time Limit – The student must contact his/her teacher(s) to make arrangements for make-up work within two (2) days after returning to school from an excused absence. Make-up work must be completed within five (5) school days not including the two (2) day arrangement period, however, for long-term absences, additional days to make-up the work may be approved by the teacher(s) and principal or designee.

Check Out Policy

Any student who finds it necessary to leave school must do so by checking out in the office. Checking out is approved only after a **phone call, or visit** by a person with proper authorization, such as a parent or guardian, has been made to the main office. This **call or visit** is to be made with an administrator or office secretary, and must be done on the day of or the day prior to checkout. **Parents must always call to verify a student checking themselves out.** Otherwise, students will not be released unless administration determines otherwise. Check outs before 11:20 a.m. will constitute an all-day absence **along with** period absence. **IF A STUDENT CHECKS OUT OF SCHOOL, HE/SHE MUST BRING A WRITTEN EXCUSE THE FOLLOWING DAY TO THEIR 1st BLOCK TEACHER OR TO THE MAIN OFFICE.**

Check In Policy

Students must always check-in through the main office when arriving to school late. Late refers to any time after the first block teacher has posted attendance. If the time missed is more than half of the allotted time for a block, it will be recorded as a **period absence**. If the time missed is less than half the time allotted, it will be recorded as a **period tardy**. These procedures will apply to all blocks that are affected by the time missed. Check in after 11:20 a.m. will constitute an all-day absence along with corresponding period absence.

Student Absences from Class

- A. A student should seldom, if ever, be sent from class during the class period. If he/she is allowed to leave the room, he/she must have in their possession a “pass” issued by the classroom teacher. If it becomes necessary to remove a student from class for disciplinary reasons, the student must be sent directly to the principal’s or assistant principal’s office.
- B. Permission to be absent from class must be approved by the principal's office. A student cannot be excused from another teacher's class without prior approval. For a student to be excused from a class to assist in an activity, a request must be made in writing to the principal.
- C. Any student who is ill will report to the teacher or to the office at the beginning of the period. If he/she is absent from class because of illness and does not report to the teacher or office, the student will be considered skipping class.
- D. No student in grades seven through twelve should enter the elementary building without prior permission from the office. The principal's approval must be obtained before students are sent from the school grounds during school hours.

Procedure for Withdrawal

In order for records to be forwarded, a student must withdraw in good standing. All fees, books, fines, etc. must be paid. The following procedures apply to students who leave school for any reason:

1. Prior to the date of withdrawal, notify the school counselor of the intent to withdraw.
2. Notify all teachers of the intended withdrawal date.

3. Secure proper withdrawal forms from the school counselor upon arrival at school on the day of withdrawal. Take the forms to the school library and all teachers to get grades and turn in books.
4. Return the completed form to the school counselor.

Prevention Project

The Prevention Project sponsored by Dale County Juvenile Court and the Dale County Board of Education will be held every 3rd Tuesday of the month at the Dale County Courthouse to address the needs of at-risk students.

EXTRACURRICULAR PARTICIPATION

Students who are absent from school due to an unexcused absence or out-of-school suspension (OSS) will not be allowed to participate or attend extra-curricular activities (athletics, field trips, banquets, dances, etc.) on the day of the absence. If a student has an excused absence he/she must have prior approval of the administration to be absent and participate in extracurricular activities.

The decision for a student to pursue this pathway should be made only after examining all other options. Students on this pathway will have the same opportunities to participate in all activities associated with graduation from high school.

Valedictorian, Salutatorian and Other End of Year Honors

The grades earned in the core academic courses from the ninth grade through the first semester of the twelfth grade are used for determining valedictorian, salutatorian, and class rank in the Dale County School System. *Grades posted for these courses on the high school transcript through first semester of the twelfth grade shall be used to determine class ranking.* (A numerical average will be determined by adding all of the grades for the core academic courses through the 1st semester of the senior year and dividing by the number of core academic courses taken. For each honors core course passed, one point will be added to the numerical average. (This is referred to as a weighted numerical average.) The weighted numerical average will be used to determine the Valedictorian, Salutatorian, and Class Rank.

Example: If a student’s weighted overall numerical average is 98, the student had taken 18 courses defined as honors, the students weighted overall numerical average would be 116. The student with the highest overall numerical average shall be valedictorian and the student with the second highest overall

numerical average shall be salutatorian. In the case of a tie, there will be co-valedictorians, or co-salutatorians. In the case of co-valedictorians, a salutatorian will be named. The transcripts of transfer-in students will be evaluated on the same criteria as Dale County School System students.

Valedictorian and Salutatorian

The valedictorian will be the student who has the highest weighted numerical grade average, and has attended his or her entire senior year at the school from which he or she is to be graduated. The salutatorian will be the student who has the second highest weighted numerical grade average, and has attended the entire senior year at the school from which he or she is to be graduated. The candidates for the other end-of-year honors must have been enrolled prior to the beginning of the second term of their senior year.

Core Academic Classes

The core academic courses are English, Math, Science, History, and Foreign Language.

If a student fails a core honors academic class and then retakes the same honors class and passes, both grades will be used to determine the end of the year honors.

Criteria for Class Rank

Grades used to determine class rank shall be computed at face value to the third (3rd) decimal.

$$98+97+90+96+95+97 = 573.000 / 6 = 95.500$$

We will not round off. This is only an example.

Honor Students

Schools will recognize a top 10 from the graduating class. Schools may elect to recognize other groups.

Home Schooling

Courses taken through homeschooling cannot be designated as honors courses.

Transfer Students

If letter grades are presented, the student must have the respective school(s) attended submit the grade in numerical form. If numerical grades are not available, said student's letter grades will be converted to numerical grades at the midpoint of the grading scale.

Early Graduation

A student who is interested in early completion/graduation should contact their principal. The principal, along with the school counselor, will develop a plan, if possible, that will allow a student to complete all requirements as mandated by the state and local education agencies. In developing a plan, consideration will be given to, but not limited to, school schedule, course availability, timely request notification, Carnegie units, end of the year honors, extracurricular activities, participation in honors programs, graduation, etc. The plan must be approved by the Principal and Superintendent or their designee prior to the implementation of this plan

Grade Scale

Letter Grade	Grade Scale	Regular/Advanced
A	90-100	4.0
B	80-89	3.0
C	70-79	2.0
D	60-69	1.0
F	0-59	0.0

In conformance with State Board of Education Resolution 1-2g of Alabama State Board of Education Administrative Regulation 290-010-020-01, and the code of Alabama 16-424.1 (1975), law enforcement agencies shall be allowed to make periodic unannounced visits to any local public school for the purpose of detecting the presence of drugs. Such visits may include the use of drug-sniffing dogs. Searches may be conducted in the school facilities, classrooms or parking lots.

School officials may conduct searches or use other detection devices within the facilities, on the school grounds, or at any school functions any time that is believed that alcohol or other drugs, weapons, or any other object or substance considered harmful to the school environment may be present. Students are subject to search by school officials with reasonable cause.

Physical Restraint

The principal or designee has the authority to use reasonable physical force to restrain a student from abusing or attempting to abuse himself or herself, other students, teachers, administrators, parents, guardians, or other staff members. This action may be necessary to stop the behavior and to ensure to the extent possible the care, welfare, safety, and security of students and staff members. This must be done in a reasonable manner to protect all parties involved. Law enforcement may assist in this action.

Law Enforcement

Law enforcement officers have the right to come on campus to interview students as suspects or witnesses. The Board of Education authorizes building administrators to release minor students into the custody of a law enforcement officer upon presentation of a court order or warrant for the student's arrest. The student may be removed from school premises if the officer or school administrator has reason to believe that the student has violated the law. The police department, juvenile services, or other law enforcement agencies may be informed regarding the misconduct of a student. Such notification may result in an arrest, a petition, a complaint, a warrant, a conference with law enforcement officials and/or other actions deemed appropriate by the agencies involved.

Pending Criminal Charges

Any student charged with violating a local, state, and/or federal law which constitutes a felony offense, or which involves any violent crime, uses of any type of weapon or illegal drugs shall not be allowed to return to a regular classroom setting until all legal proceedings are completely resolved and no such charges are pending. In the event that such criminal charges are dismissed, *nol prosequit*, or the student is found “not guilty” by a court of law, the charged student will be allowed to re-enter a regular classroom setting and allowed to make up work missed according to school policy. Any other disposition of such criminal charges will be considered on a case by case basis to determine whether and on what conditions the student will be allowed to return to the regular class setting. In all cases, the student or parent shall present the Superintendent with all court orders and other documentation showing that the criminal charges have been completely resolved before being allowed to return to the regular classroom.

IDEA students who violate this policy shall be dealt with in accordance to the discipline methods outlined in the IDEA and Alabama Administrative Code.

Zero Tolerance

Students found to have committed the following offenses on school property, school-sponsored transportation or during a school-sponsored activity shall be brought before the Board for expulsion or alternative placement:

- homicide (murder, manslaughter);
- sexual battery;
- armed robbery;
- aggravated battery;
- battery, aggravated battery or threats to a teacher or other school personnel;
- kidnapping or abduction;
- arson;
- possession, use or sale of any firearm or weapon;
- possession, use or sale of any explosive device;
- possession, use or sale of controlled substances;
- **threat or false** report to do harm related to firearms, weapons, bombs or explosive devices.

The expulsion limit is a minimum mandatory one (1) full year. (See subsection 2 in reference to procedures for Students with Disabilities.)

Prior to taking such action against any student, the School Board shall ensure that appropriate due process procedures are followed. If a student committing one of the offenses outlined in subsection (1) of this rule is identified as disabled and participating in a program for exceptional students, then the system shall follow procedures as outlined in the Code of Student Conduct pursuant to applicable law and Board policy. This provision shall not be construed to remove a School Board’s discretion in cases where mitigating circumstances may affect decisions on disciplinary action.

Local law enforcement authorities shall be notified immediately when one of the offenses listed above is committed on school property, on school-sponsored transportation, or during a school-sponsored activity. Additionally, if the offense involves a victim, school officials shall notify the victim and the victim’s parents/legal guardian if the victim is a minor, of the offense and of the victim’s rights to press charges against the offender. School personnel shall cooperate in any investigation or other proceedings leading to the victim’s exercise of rights as provided by law.

Upon notification by juvenile authorities that a *no contact order* has been issued by the court for the purpose of a juvenile offender not attending the same school or riding the same bus as the victim of a crime committed or as the siblings of the victim, the Superintendent or his/her designee will determine the appropriate setting for delivery of educational services to the offender. If the delivery of educational services requires transportation which is beyond the existing transportation and which would incur additional costs to the school system, then the offender or the parents/legal guardians of the juvenile offender shall be responsible for arranging and paying for transportation.

If it is determined that it is not possible to deliver educational services to the offender at a different school site from the victim or the siblings of the victim, then the school system and the principal will

take steps such as the use of in-school suspension of the offender and the scheduling of classes, lunch, or other school activities of the victim and the offender to keep the offender separated from the victim.

The school principal shall monitor the administration of discipline of students to ensure that discipline is administered equitably without regard to race, color, religion, gender, sexual orientation, age, ethnicity, linguistic preference, marital status, disability, political or religious beliefs, national or ethnic origin, or social and family background. Annually, the principal shall review school discipline data with the school advisory council in developing school improvement plans to maintain a safe and healthy school environment that protects the civil rights of all students.

ACCEPTABLE USE OF TECHNOLOGY POLICY -- Children's Internet Protection Act

Dale County School System recognizes the need to protect its student's privacy and Internet Safety. The federal government also has acts in place for this purpose. As such, the District forces all Internet traffic to pass through filters. Dale County Schools meet the requirements of the Children's Internet Protection Act by filtering all Internet access through the Alabama Supercomputer Authority. Content filtering is designed to restrict minors' access to materials "harmful to minors," as that term is defined in Section 1721 (c) of the Children's Internet Protection Act of 2000.

Dale County Schools' technology is intended for use by staff and students. Dale County Schools encourage and promote the educational use of technology in our schools. All use of technology is a privilege, not a right, and must be in support of and consistent with the purposes and stated goals of the school district. There are no inherent warranties for technological resources that Dale County Schools is providing. Dale County Schools reserve the right to monitor network activity.

- Use networks and technology in support of Dale County Schools educational goals

- Disclose or post personal or confidential information of self or others over the Internet.

Violation of Acceptable Use Policy:

Failure to abide by Board policy and administrative regulations governing the use of the district's technology resources may result in the suspension and/or revocation of system access. Additionally, student violations may result in discipline or legal actions as stated in the Dale County Schools Code of Conduct. Fees or other charges may be imposed.

EPA Asbestos Notice

All Dale County Board of Education buildings are in Environmental Protection Agency (EPA) compliance regarding asbestos codes. All Dale County Schools have been inspected by an EPA approved asbestos inspector and maintain a management file in the school office as required under the AHERA regulations. The file is available to any parent to view.

The majority of our asbestos materials are non-friable and are in the form of floor tiles. Although we do have some friable (able to crumble with hand pressure) asbestos in our facilities, these materials are well maintained and are not accessible to the students. The law requires that we make this notice to all employees, students, and staff annually.

We are glad to provide a healthy atmosphere for students and staff.

Annual FERPA Notice to Parents

All policies and practices governing the collection, maintenance, review and release of student education records are based on the principles of confidentiality and the student's right to privacy, consistent with the Family Educational Rights and Privacy Act (FERPA) of 1974. FERPA is a federal law designed to protect the privacy of education records and to establish the right of students to inspect, review, amend and restrict access to their education records. Schools may disclose, without consent, directory information, such as students name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, parents and eligible students may request the school not disclose this information about them.

Upon satisfying all graduation requirements, students enrolled in the virtual pathway will receive an Alabama High School Diploma.

Students enrolled in a virtual pathway are eligible to participate in extracurricular activities in the school in which they are enrolled, according to attendance zone. They are subject to the same requirements as listed above, also including Alabama High School Athletic Association rules.

Students enrolled in a virtual pathway shall be exempt from any provision of general law, local law, or administrative rules that apply to the traditional delivery of instruction, including but not limited to, requirements to the physical presence of a student, student monitoring and security, staffing requirements, transportation obligations, facility requirements, space and location requirements, physical education requirements and time requirements, to the extent any of the foregoing conflict with the delivery of the virtual program.

Standard Policies and Procedures

With consideration given to and input accepted from all data stakeholders, along with the support from the local superintendent and board of education, the data governance committee has composed policies and standards to include the following components:

Mission and Vision

The Mission of the Dale County Board of Education's Data Use and Governance Policy is to maintain compliance with the Family Educational Rights and Privacy Act (FERPA). This policy is based on the knowledge that the appropriate use of data is essential to accelerating student learning, program and financial effectiveness and efficiency, and policy development. Our Vision is to create and maintain a comprehensive, accurate, secure, and efficient system of data governance whereby all K-12 student data remains confidential throughout the lifespan of the data and is only accessed and shared upon necessity or when written consent from students and/or parents is obtained.

Goals, Governance, Success Measures, Funding Strategies

Our main priority is to ensure that all data collected, managed, stored, transmitted, used, reported, and destroyed by the district is done so in a way to preserve and protect individual and collective privacy rights and ensure confidentiality and security of collected data.

Goals and Success Measures include the following:

1. Improved data accuracy by consciously reviewing our student data management system.
2. Improved data usability, resulting from monitoring data content for consistency with the organizational vision and stakeholders' needs;
3. Improved data timeliness, accomplished by avoiding unnecessary duplication of data collection efforts;
4. Increased data security, gained by designing a Data Governance Plan and applying the appropriate levels of protection to the data based on the level of sensitivity.
5. Funding for the data governance program will be secured by the school superintendent, by the request of the technology coordinator and/or the data governance committee.

Data Rules and Definitions

Data governance can be defined as an organizational approach to data and information management that is formalized as a set of policies and procedures that encompass the full life cycle of data, from acquisition to use to disposal. Proactive data governance is necessary to ensure confidentiality, integrity, accessibility, availability, and quality of student data from grades K-12. Our data governance program helps to ensure that information is collected, maintained, used, and disseminated in a way that protects the individuals' rights to privacy, confidentiality, and security, while producing timely and accurate statistical data.

Decision Rights and Compliance Mechanisms

The Alabama State Department of Education with directives from the federal department of education ultimately makes the final decisions about what student data we can collect, store, and use. Compliance with federal and state mandates is of utmost importance. The Superintendent and technology coordinator are privy to information that is shared with the Data Governance Committee, who assigns rights to certain employees concerning data management. Local school personnel are then assigned by the technology coordinator, superintendent, or system coordinators to the roles of collecting, inputting, and maintaining accurate data. The superintendent will ensure that the Dale County School System abides by all laws and contractual obligations affecting its information systems including but not limited to the information herein stated.
