To All Households in the Anadarko Public School District:

This letter is to inform all parents/guardians of the new board approved policy concerning the Child Nutrition Program.

Below is the District policy which has been approved:

BF-R (Approved October 13, 2014)

- 1. Students are not allowed to charge ala carte items.**
- 2. Students (and their parent/guardians) are expected to remain current on all meal charges. A student who is a full-paying student will not be allowed to incur meal charges in excess of \$75.00. A student who pays a reduced meal charge will not be allowed to incur meal charges in excess of \$21.00. What are you going to do if they go over?**
- 3. All meal accounts must be paid in full by the last day of school. The District will use all lawful means to collect any unpaid accounts, which may include legal action in District Court. The District will consider reasonable payment arrangements provided a parent or guardian gives notice to the District of the need for such arrangements.**

If your child is receiving free meals, please keep this in mind should your child become a paying student in the future.

If you owe money on your child's account, please begin to make payments on his/her account.

If you have questions, please contact Sherry DeLaune, Food Service Director at 405-247-5241.
