

# A Summary of Greenville Area School District's

## 2021 ~ 403(b) Tax Sheltered Account Program

Greenville Area School District offers our eligible employees the opportunity to save for retirement by participating in a 403(b) Tax- Sheltered Account (TSA) Plan. All employees, except for private contractors, appointed/elected trustees and/or school board members and student workers, are eligible to participate in the 403(b) Plan immediately upon employment. You can participate in this plan by making pre-tax contributions. The 403(b) TSA Plan is a valuable retirement savings option. This notice provides a brief explanation of the provisions, policies and rules that govern the 403(b) TSA Plan offered.

### **What is a 403(b) Tax-Sheltered Account?**

403(b) Tax-Sheltered Account (TSA) is a section of the IRS Code that permits the establishment of 403(b) TSAs for school employees to supplement their retirement income. A 403(b) TSA allows you to voluntarily set aside money from each paycheck to be put into a tax-deferred account. It's called an "elective deferral;" you notify the payroll office, that you wish ("elective") to have funds taken out of your pay ("deferral") and contributed to your 403(b) TSA. You may begin your contribution, change the amount of your contribution, or stop your contribution at any time. The funds withheld from your paycheck are then invested with a 403(b) provider that you choose from our list of approved companies. You control how your funds are invested by consulting with a representative from the investment provider you select.

### **How much can you contribute to your 403(b) TSA?**

The maximum amount you can contribute for the current calendar year is \$19,500. Everyone can contribute up to \$19,500 or 100% of salary if you make less than \$19,500. Beginning on January 1 of the year you turn 50, you may contribute an additional \$6,500, each year. If you are able and desire to contribute more than the maximum, see if the district offers a 457(b) Deferred Compensation program. If a 457(b) Plan is available, you may be allowed to contribute similar amounts to that tax-sheltered program.

### **When can I get my money out of my 403(b) TSA?**

You may request a distribution when you retire, terminate your employment with the employer, or become disabled. Distributions prior to age 59 ½ may be subject to a 10% IRS tax penalty; however, if you separate service during or after the calendar year in which you turn age 55 you may withdraw your funds without incurring an IRS penalty. If you do not request a distribution, IRS regulations require that you begin distributions at age 72 or upon retirement, if later. You should check with your investment provider representative to see if you are subject to any contractual withdrawal fees from the investment program you have selected. In the event of your death, 100% of your account balance is payable to your designated beneficiary.

### **Why should you participate in a 403(b) TSA program?**

First: It reduces your current income taxes. It is the first tax shelter that nearly every tax professional recommends.

Second: It provides for tax-deferred growth. Instead of paying income taxes on your bank interest earnings, all your contributions, and the earnings on those contributions, are tax deferred until you take out the money. That will usually be after retirement when you will most likely be in a lower tax bracket.

Third: It supplements other retirement benefits, like your personal savings, Social Security, and the PA Public School Employees Retirement System (PSERS). Who knows if any of us will get all the Social Security we are entitled to, given the budget shortfall of Social Security and Medicare? And, even though PSERS is one of the best retirement systems, you still will have to live on the amount of that check from PSERS for the rest of your life. And many of today's employees will live longer retired than they worked. It is not uncommon for people to live to their late 80's, 90's or even 100. Considering future scientific and medical advances, that PSERS check may have to last you 30 years or more. You need to supplement it with your 403(b) TSA, which should reflect any economic growth during your career and retirement years.

## **Who is administering the district's 403(b) TSA Program?**

The district has chosen TSA Consulting Group, Inc. as the Third-Party Administrator (TPA) because of their experience and reliability. They employ a full-service flexible technology platform that provides secure Internet access by both employers and employees. You can get immediate answers to your questions regarding all contributions and transaction processing requests, as well as access all necessary forms on their website [www.tsacg.com](http://www.tsacg.com). (NOTE: The TPA charges no fees to employees. There may be fees associated with your investment that your investment provider and/or investment fund may charge.)

## **Optional Provisions Included in Greenville Area School District's 403(b) TSA Plan**

### **Eligibility**

All employees, except for private contractors, appointed/elected trustees and/or school board members and student workers, are eligible to participate in the 403(b) Plan immediately upon employment. Employees may make voluntary elective deferrals to the 403(b) TSA Plan. Participants are always fully vested in their contributions and earnings.

### **Exchanges**

Our 403(b) TSA Plan does permit exchanges. An "exchange" is defined by the IRS as moving your 403(b) TSA from one of our approved investment providers to another of our approved investment providers. Under IRS 403(b) TSA regulations, you may only invest your 403(b) TSA funds with the district's approved investment providers if you are employed by our district.

### **Transfers**

Our 403(b) TSA Plan does permit transfers, both into our plan and out of our plan. A "transfer" is defined by the IRS as moving your 403(b) TSA from one employer's 403(b) TSA Plan to another employer's 403(b) TSA Plan when you change employment. If you have a 403(b) TSA with a previous employer, and that employer's 403(b) TSA Plan permits transfers out of their 403(b) TSA Plan, you may transfer the account with the previous employer to our 403(b) TSA Plan. However, you must transfer the account to one of our districts' approved investment providers. If you leave employment with our district, you may transfer your account to a subsequent employer's 403(b) TSA (if that employer's 403(b) TSA Plan allows for incoming transfers) or you may rollover your account (see below).

### **Rollovers**

As required by IRS regulations, our 403(b) TSA Plan does permit rollovers. A "rollover" is defined by the IRS as moving your 403(b) TSA upon the occurrence of a "distributable event" (age 59 ½, death, disability, separation from service, etc.). Once you leave employment with our district, (or upon another distributable event) you are permitted to rollover your 403(b) TSA to any other IRS permitted account, such as an IRA.

### **Loans**

Our 403(b) TSA Plan does permit you to borrow funds from your 403(B) TSA; however, you need to check with your investment provider to determine if your investment provider permits loans. Loans are subject to IRS regulations and prior to taking a loan, participants should consult a tax advisor.

### **Financial Hardship Distributions**

Our 403(b) TSA Plan does permit you to apply for a Hardship Distribution from your 403(B) TSA. Hardship Distributions are subject to IRS regulations and to be eligible for a hardship withdrawal according to IRS Safe Harbor regulations, you must verify and provide evidence that the distribution is being taken for specific reasons.

## **Roth 403(b)**

Our 403(b) TSA Plan does permit you to contribute to a Roth 403(b). Like a Roth IRA, Roth 403(b) contributions do not tax shelter current income; they are funded with after-tax dollars. One advantage of a Roth is the earnings grow tax free; there are no taxes on withdrawals from a Roth 403(b) if all the Roth and 403(b) rules are followed. The maximum annual contribution for a Roth 403(b) is combined with the traditional 403(b) TSA: For the current calendar year, \$19,500 and \$6,500 for the age 50 catch-up. For example: if you are under 50 years of age, you could contribute \$10,000 to a traditional 403(b) TSA and up to \$9,500 to a Roth 403(b). Withdrawals of your contribution and earnings can be made tax free. (Reached age 59 ½ and Account has been held for at least five years) Contact one of the approved investment providers for more information about the Roth 403(b). Roth 403(b) contributions are subject to IRS regulations.
