

May 24, 2024

Dear Liberty Families,

We are excited to announce that we have adopted a new form of school-to-home communication at Liberty CUSD 2 called ParentSquare. Over the past several months, the Remind platform was acquired by ParentSquare, and the SchoolMessenger system changed ownership as well. ParentSquare combines the best features of both platforms.

ParentSquare uses the contact information associated with you in Skyward for messaging, so you must verify that your email address and phone number are listed correctly. Contact the appropriate school office if changes are needed.

This unified communications platform informs parents and guardians and encourages greater engagement and connection with your school. It provides a safe way for district administrators, school principals, teachers, staff, and parents to:

- Send and receive school and class information
- Share pictures and files
- See calendar items
- Sign up to volunteer
- Schedule parent-teacher conferences
- and much more... all in one centralized place!

For the 2024-2025 school year, district and school, grade level, and classroom information will now be sent to your computer or phone via email and/or text. For even more convenience, download the ParentSquare app (available for free for iOS and Android devices).

Have questions? Click the question mark in the top right corner of the desktop version or the Help tab on the app (tap the triple bar icon at the top left) to find answers to most of your questions.

Thanks for your attention to this matter, and have a great summer!
