Sumter County Public Schools

What school will your child attend in the fall?

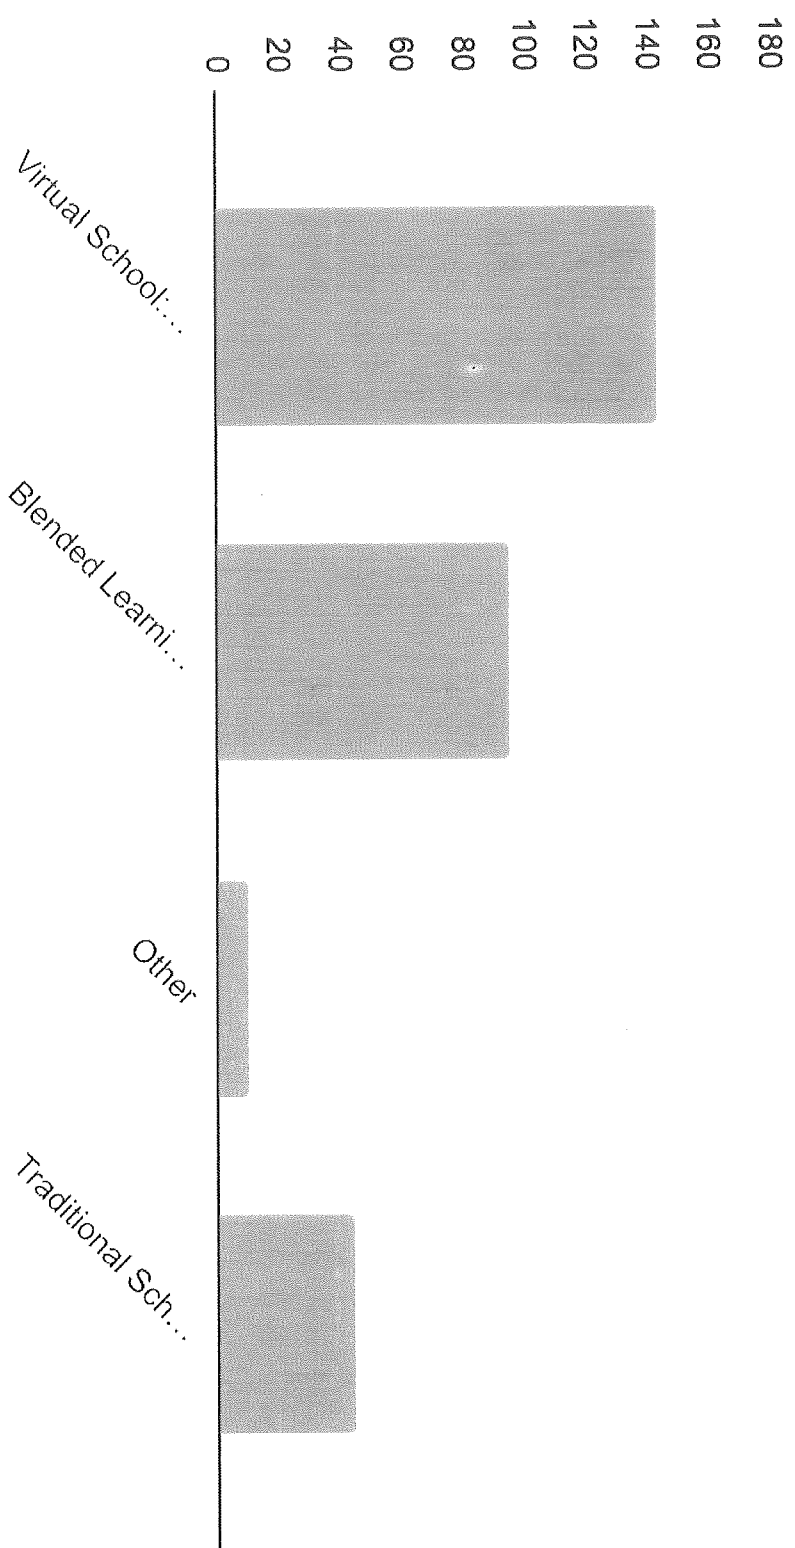

292 responses

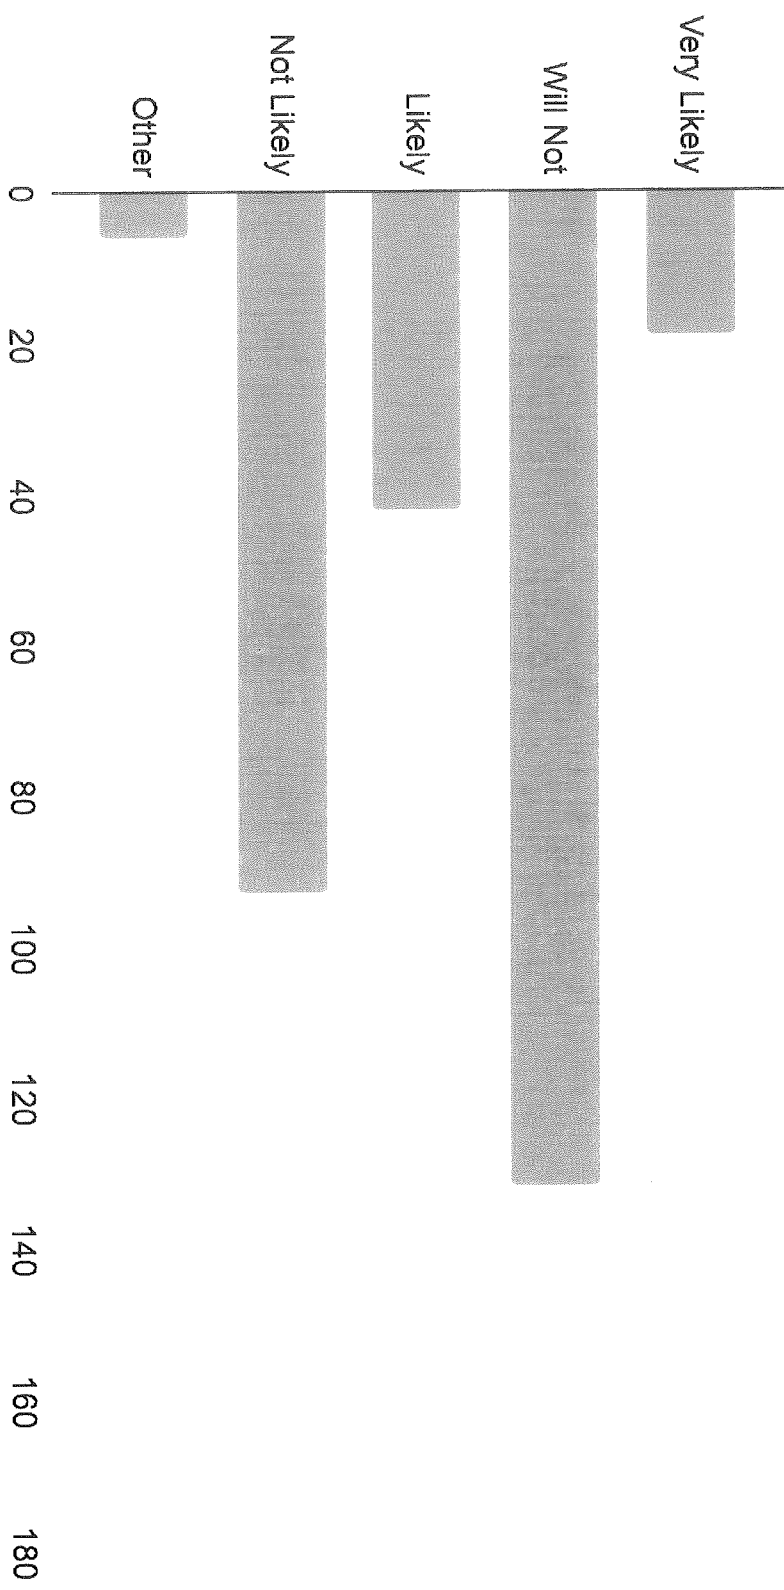

Indicate the level of importance.

If you had the option of traditional, blended, or virtual learning, which would you choose for your children under current COVID-19 conditions?

If conditions concerning COVID-19 are the same in August as they are today, how likely are you to allow your child(ren) to attend traditional school?

Top Concerns

School Sanitation and Student Safety

Access to appropriate devices (computers, ipads, etc.)

Internet Access

Direct and/or Hands-on Instruction

Dedicated teacher assistance with assignments

Communication between home and school

Necessary resources for students to be successful (detailed instructions, books, materials)

Appropriate schedule of due dates

Access to tutoring and/or additional assistance for students who need it

Personal connection with teachers
