Dear Students and Parents,

I am beyond honored to be your Principal. I love kids. That is a simple statement but a statement that is true. It is what keeps me going every day. The mission and vision of East Webster Elementary School is to invest in hearts. Our motto this year is East Webster has Heart! This motto is birthed from the amazing hearts of the people that serve this community. I know that we touch a person's heart; we have touch it for a lifetime. That is what we will strive to do as we moved forward this 2020-2021 school year.

There are a few changes to our handbook this year. Please read this entire handbook carefully and discuss it with your child/children. This handbook will give you basic rules and regulations that will help us maintain a safe and productive learning environment. This handbook is not all-inclusive, but it does cover most of the items that commonly concern parents and students. If you have questions that are not answered by our handbook, the complete manual of the Webster County Board Policy can be found in the Superintendent's office or any principal's office. Please pay close attention to the new discipline ladder and along with the changes to dress code.

The administration and staff of East Webster Elementary School encourages all parents to feel free to call us or come by and let us know if we can be of service to you. Our first concern is to do what is best for your child/children. A strong partnership between home and school can greatly benefit your child as he/she grows and matures.

As always, we are here to assist and love you and your child.

Respectfully,

Jennifer Carver

ADDRESS/TELEPHONE NUMBER

It is very important that our school maintains up-to-date records. Please notify the office and your child's homeroom teacher in writing if your address or telephone number changes during the course of the school year. If your child is sick or injured and we cannot reach you, we will call the emergency names listed on your child's registration card. In extreme cases if you are not able to be reached, the police will assist in locating you.

AGENDAS/PLANNERS

Agendas are provided for each 2nd – 5th grade student. Students are expected to write homework assignments in their agendas daily. Parents should check agendas on a regular basis. Teachers may write comments in the agendas to communicate with parents. Replacement agendas may be purchased for \$5.00.

ASSEMBLIES

Assemblies are a regularly scheduled part of the curriculum and are designed to be educational as well as entertaining experiences. Assemblies provide opportunities to learn formal audience behavior. Regardless of the type program, courtesy demands that the audience be respectful and appreciative.

ATTENDANCE, TARDIES, AND EARLY SIGN OUTS (School Board Policy JBD-WC)

***This policy has been amended for the 2020-2021 school year.**

Absences are recorded by day. An absence is defined as the student not being present for at least 63% of the day. A student shall be allowed a maximum of 10 absences, including check-in and check-outs or tardies, excused by a parent note per one school year. A doctor's excuse must be presented if the 10 absences with parent notes have been used. Doctor's notes do not count for any of the parent notes and can be used at any time to excuse an absence. The student does not have to use the parent notes before they use a doctor's excuse.

A written excuse must be given to school officials on the day the student returns to school in order for the student to receive an excused absence. Parent notes are a fill-in-the-blank form found in the back of this handbook. **Parents should use this form if a student doesn't have a doctor's excuse. Please note that if you use a parent note for consecutive days missed, it will count for more than one parent note.** For instance, you may write one parent note for 2 days missed from school, but it will count 2 of your 10 parent notes for the year. If you chose to write your own note for your child, you **MUST** include the following information or the student absences will remain unexcused.

Parent note:

Students name and HR teacher

Date(s) the student was absent

Reason for student absence

Parent/legal guardian's signature

Phone number where the parent/legal guardian may be reached during the school day

A student with an excused absence will be allowed to make up missed work with full credit. If a student receives an unexcused absence, he/she will not be allowed to make up any work that was missed and will receive a (0) for work that was missed, and may face further disciplinary action as deemed appropriate by the building level principal. Students who receive Out of School Suspension will receive zeros during the duration of their suspension. **Students who are absent will be reported to the school attendance officer.**

***This policy has been amended for the 2020-2021 school year.**

Perfect Attendance

Perfect attendance is no absences (excused or unexcused), no days tardy, and no early dismissals from school. Exceptions shall be tardiness due to bus delays, school-sponsored field trips, or other school-sponsored activities.

***This policy has been amended for the 2020-2021 school year.**

BALLGAME/EXTRACURRICULAR EVENT CONDUCT

Students who attend any high school athletic activity or any school-related extracurricular activity are expected to display appropriate behavior and follow all school rules. A student who demonstrates inappropriate behavior at any school-sponsored event will be subject to disciplinary action by the presiding administrator, or he/she may be referred to his/her school administrator.

CELEBRATIONS/PARTIES

Parties will not be held that involve parents; however, a parent may arrange to bring healthy treats to a class upon approval of the teacher. Celebrations will be held during recess time. Some students may have special diets that hinder them from eating certain foods. Invitations to parties are not to be given out at school unless **all** members of the homeroom class receive one. The school will not provide you a list of the students' names in a child's class. The school district will not provide transportation to parties.

BOOKBAGS

Backpacks are permitted on campus. No rolling bags are allowed on campus unless the student has a documented medical reason for why he or she cannot carry a regular shoulder-carried book bag.

BREAKS/ CONCESSIONS

During break time, students will have the opportunity to purchase snack items from the concession stand. Prices range from \$0.50 to \$1.50.

BULLYING (School Board Policy - JDDA)

The Webster County School District is committed to protecting its students from bullying, harassment, or discrimination for any reason, and of any type. No bullying or harassment based on the sex, race, color, national origin, or disability of a student will be tolerated. The Webster County School Board and the Webster County School District Administration believe that all students are entitled to a positive, safe, and harassment free school experience. The district expects all students to work with the school to build a culture of health, wellness, safety, respect, and excellence. Bullying, harassment, or discrimination directed toward any student will not be tolerated and shall be just cause for disciplinary action.

DEFINITIONS

Bullying is defined as a means of systematically and chronically inflicting physical hurt or psychological distress on one or more students. It is further defined as: unwanted purposeful written, verbal, nonverbal, cyber, or physical behavior, included but not limited to any threatening, insulting, or humiliating gesture by a student that has the potential to create an intimidating, hostile, or offensive educational environment or cause long term damage; cause discomfort; or unreasonably interfere with the individual's school performance or participation, is carried out repeatedly, and is often characterized by an imbalance of power. This includes behaviors carried out at school, at a school-sponsored function, or on the school bus.

Bullying may involve, but is not limited to:

- Unwanted teasing
- Threatening
- Intimidating
- Stalking
- Cyber stalking
- Cyberbullying
- Physical violence
- Theft
- Sexual, religious, or racial harassment
- Public humiliation
- Destruction of school or personal property
- Social exclusion
- Spreading of rumor or falsehoods
- Retaliation against a student for asserting or alleging an act of bullying, harassment, or discrimination

Cyberbullying is defined as the willful and repeated harassment and intimidation of a person through the use of digital technologies including but not limited to, text messages, emails, blogs, social websites (e.g., Facebook, Instagram) chat rooms, and instant messaging.

Harassment means threatening, insulting, or dehumanizing gesture, use of technology, computer software, or written, verbal or physical conduct directed against another student that :

- Places a student in reasonable fear or harm to his or her person or damage to his or her property
- Has the effect of substantially interfering with a student's educational performance or opportunities
- Has the effect of substantially negatively impacting a student's emotional or mental well-being
- Has the effect of substantially disrupting the orderly operation of a school

Cyberstalking is defined as a means to engage in a course of conduct to communicate, or cause to communicate, or cause to be communicated, words, images, or language by or through the use of electronic mail or electronic communication, directed at or about a specific person, causing emotional distress to that person and serving no legitimate purpose.

SIGNS AND SYMPTOMS OF BULLYING

A student may indicate by signs or behavior that he or she is being bullied. Parents and school personnel should be aware of the warning signs of a person being bullied, and report them to the proper school official. These signs may include:

- Being frightened of walking to or from school
- Doesn't want to ride the bus to or from school
- Changes their usual routine
- Is unwilling to go to school
- Becomes withdrawn, anxious, or lacking in confidence
- Attempts or threatens suicide, or runs away
- Cries themselves to sleep or has nightmares
- Feels ill in the morning
- Beings to do poorly in school work
- Comes home with clothes torn or books damaged
- Has possessions which are damaged or "missing"
- Asks for money or starts stealing money (to pay the bully or replace what the bully took)
- Lunch money or other money are continuously "lost"
- Has unexplained cuts or bruises
- Comes home starving (lunch money was taken)
- Becomes aggressive, disruptive, or unreasonable
- Is bullying other children
- Stops eating
- Is frightened to say what is wrong
- Gives improbable excuses for any of the above
- Is afraid to use the internet or cell phone
- Is nervous or jumpy when a cyber message is received

BULLYING PROCEDURES/REGULATIONS

1. A student who is being bullied should confront the bully and clearly inform him/her that the actions/words have been harmful and should be stopped.
2. If the unwanted behavior continues, the victim should report the bullying to the administration within 24 hours or the next school day. If the situation poses an immediate threat, the behavior may be reported to the first accessible teacher or staff member. It is also the responsibility of all faculty and staff members to report any occurrence of bullying behavior to the administration. Parents and students who have knowledge of such behavior are also encouraged to report this information. Any student who withholds information regarding bullying behavior, or provides inaccurate or false information, may be subject to disciplinary action. (It should also be noted that anonymous complaints that are not verified by another source shall not result in disciplinary action for the alleged perpetrator.)
3. The principal or his designee will investigate the complaint through interviews with the complainant, the accused, and any witnesses who may have knowledge of the situation. An attempt will be made to resolve the situation through an interaction between the students involved, mediated by the principal.
4. During the investigative period, the principal, his designee, or other school administrators, may take whatever action deemed necessary and appropriate to protect the complainant, witnesses, or any other students who feel threatened by reprisal. (It should also be noted that Mississippi Senate Bill 2015 states that every student has the fundamental right to take "reasonable action" as may be necessary to defend himself/herself from an attack (physical) by another student. The Webster County School District defines "reasonable action" as promptly reporting the behavior to a teacher, principal, counselor, or other school employee when subjected to bullying or harassing behavior.
5. Upon completion of the investigation, the principal/designee will make a determination as to whether or not a violation of the school's discipline code has occurred. If it is determined that a violation has occurred, the principal/designee will make the determination of where to place the offending student(s) on the school discipline ladder, depending on the severity of the offense. If the offending behavior is determined to be bullying, the offending student(s) will also be required to meet regularly with the school counselor until the counselor determines that the behavioral issue which lead to the bullying is resolved. This may also include a referral for support therapy, or a Tier 1, Tier 2, or Tier 3 intervention, to be determined by the principal and counselor.

THE WEBSTER COUNTY SCHOOL DISTRICT DOES NOT CONDONE AND WILL NOT TOLERATE BULLYING OR HARASSING BEHAVIOR. Bullying or harassing behavior is any pattern of gestures, written, electronic, or verbal communications. It can also be any physical act or threatening act that is reasonably perceived as being detrimental to any student/staff member.

BUS/CARPOOL CHANGES

If a student is to go to a place other than his/her home in the afternoon(s), he/she must have a signed note from the parent/guardian for **each** day the change is to occur. **If a written note is not received in the office from the parent/guardian by 1:30pm, the student will be placed on his/her usual bus and sent home or in the carpool line for pick up. Bus changes and carpool changes are not to be phoned into the office (THIS WILL BE STRICTLY ENFORCED.)** It is the responsibility of the parent/guardian to have someone at home to receive the child. (Approval of bus changes by the principal may not always occur due to overcrowded conditions or other situations on the school buses.) Any changes must be received by the school by 1:30

*Parents please limit the amount of times you change how your child gets home. Parents who are constantly changing how their child gets home will be notified and limited to the amount to changes they make.

In order for a student to go home with another student, there must be a written note from **BOTH** students' parents. We must be sure that the receiving parent knows that another student is coming home with his/her child. We absolutely will not take the word of students. **Your child will be sent home as usual unless we receive a note from you and the other parent involved.**

BUS CONDUCT (School Board Policy – JCDAD and Section 37-41-1 of MS Code)

Students have the responsibility to obey all rules of conduct while waiting for, riding, and leaving the bus. **Students who do not conduct themselves properly will not be allowed to ride the bus.** The school bus driver is authorized and responsible for maintaining order and ensuring safety at all times. The principal is responsible for disciplining students reported to him by the driver. Students who violate the rules of conduct may be subjected to disciplinary action including, but not limited to, suspension/expulsion from school and/or from the bus.

Students should follow directions of the driver the first time given.

1. **Students should arrive at the bus stop before the bus arrives.**

2. 2 days bus suspension or paddling.
3. 3 days bus suspension or paddling.
4. 5 days bus suspension or paddling.
5. 8 days bus suspension, and parent meeting to get student back on bus.
6. 10 days bus suspension, and parent meeting to get student back on bus.
7. Loss of bus riding privileges for the remainder of the year.

It will be the duty of passengers transported in school buses owned or operated by public school districts to conduct their behavior in an acceptable manner. The passengers shall abide by rules and regulations of the Mississippi Board of Education, rules and regulations adopted by the boards of the respective school districts. No unauthorized adults are allowed on the buses at any time.

BUS SUSPENSION

Being suspended from riding the bus does not mean the student is suspended from school. The student should come to school, but the parent/guardian must provide the morning and afternoon transportation. During a suspension from the bus, a student is not allowed to ride any bus for any reason (including field trips).

Any student on bus suspension will be picked up and dropped off in car pool line. The student must be picked up by 2:50pm.

Getting children to school and home again every day poses a few logistical challenges, especially for afternoon carpool. To keep you and your child/children as safe as possible during this departure, Webster Schools enforces the following carpool procedures.

EWES

- Carpool vehicles **must enter from HWY 15** onto First Ave.
- Vehicles should turn to the gravel road (extra road). This is to keep traffic from backing up onto HWY 15.
- Each student will receive 2 school issued carpool passes with a stamp of EWES. In order to pick up a student, this carpool pass must be use.
- The pass should be visible on the front dash of the vehicle during carpool. This protects children as they are matched with adults as well as speeds the flow of traffic.
- All vehicles **WITHOUT** proper school issued carpool pass will be detained to check identification. Should you need additional carpool passes, send a note to your child's teacher or come to the office. Multiple passes are available.

CARPOOL PICK-UP PASS-Please Read Carefully

Each vehicle, in which students will ride when being picked-up in afternoon carpool, **will require** a carpool pass. Two passes will be given per family. Drivers of vehicles **without a carpool pass visible** when picking-up students in afternoon carpool will be asked to PULL ASIDE while identification and the student's Transportation/Security Release Information Card are checked. (Please make sure

these individuals are listed on your child's card.) Drivers may be asked to go to the office while this procedure is done. Please understand that this is necessary in order to keep our children safe. Please drive carefully and be courteous during carpool.

CARPOOL PROCEDURES FOR STUDENTS

- Quietly and quickly get coats and supplies.
- Quietly walk with your class to your bus or car waiting area for departure.
- Listen for announcements, be seated, and **be quiet**.
- Students who break these rules will be given a warning. After their warning they will receive a discipline referral.

Check Writing Policy for Webster County School District

Your check is welcome at all schools in the Webster County School District. The Webster County School District recognizes that occasionally a parent may inadvertently overdraw a checking account and a check may be returned by your bank. In order to recover these funds in a private and professional manner, the Webster County School District has contracted with Nexcheck, LLC, for collection of returned checks. Each person writing a check to a school or the School District should write the check on a commercially printed check with your name, address, and one phone number. Counter or starter checks will not be accepted. When a person writes a check to a school or the School District, the person writing the check agrees that, if the check is returned that it may be represented electronically on the same account, and that the fee established by law, now \$40, may be debited from the same account. If the check and fee are not collected electronically, then Nexcheck will contact you by mail and by telephone in order for you to make arrangements to pay. All payments need to be made directly through Nexcheck, P.O. Box 19699, Birmingham, AL 35219. For a convenience fee, payments of both check and fee may be made electronically at www.nexcheck.com or over the phone using a credit card, debit card, or electronic check.

COMPLAINT/ GRIEVANCE PROCEDURES (PARENT AND STUDENT)

Complaints will be investigated fully and fairly.

1. The student and/or parent should discuss the issue and seek resolution with the teacher, bus driver (call Michael Adkins, Transportation Director), or other staff member involved.
2. If the matter remains unresolved, the issue should be referred to the Principal.
3. If the dispute continues to be unsatisfactorily resolved, it may be referred to the Superintendent.

Classroom Behavior and Discipline

Each homeroom teacher will have a behavior chart or log and will have a check system that allows the teacher to record the date and behavior the students have displayed throughout the day.

The checks are the following:

- Check #1 is a warning
- Check #2 is detention
- Check # 3 is parent contact
- Check # 4 is an office referral

Office Referrals:

- The first office referral will be a warning.
- The second office referral will be a corporal punishment or 1 Day ISS or OSS.
- The third office referral will be a corporal punishment or 2 days ISS/OSS.
- The fourth referral will be 5 days of ISS/OSS
- The fifth referral or after will be 5 or more days of ISS/OSS.

**Office referrals need to be signed and returned to school.

**Some office referral requires an automatic referral to the office. Examples are bullying, fighting, open defiance, pattern of disruption to the learning environment, stealing.

Also see **Elementary Discipline chart in handbook.

All decision regarding discipline are left to the discretion of the Principal.

CORPORAL PUNISHMENT (Please read carefully)(School Board Policy - JDB)

As a matter of Board Policy (JDB), reasonable corporal punishment of a student is permitted as a disciplinary measure in order to preserve an effective educational environment that is free from disruption and is conducive to furthering the educational mission of the Board. Corporal punishment may be administered by the principal or a teacher and must be done in the presence of another certified employee. **Parents who do not wish for their child to receive corporal punishment must complete a "No Consent for Corporal Punishment" form at the school office at the beginning of each school year. Should the child be involved in a discipline violation that warrants corporal punishment, the child will receive one day of OSS or ISS if in grades 3-5. Due to newly signed bill by the governor, no child with an IEP or 504 is to receive corporal punishment.**

COUNSELOR

The elementary school counselor works with individual students, small groups, and classes. A student may be referred to see the school counselor by a parent, teacher, principal, or self. For more information, contact the school counselor's office at (662) 263-4264 EWES or 662-258-6031 EES.

DAMAGE TO SCHOOL PROPERTY/PERSONAL PROPERTY OF OTHERS (School Board Policy – JDA)

A parent, guardian, or custodian of a school-age child enrolled in this district shall be responsible financially for his/her minor child's destructive acts against school property or persons.

DELIVERIES ON CAMPUS

The Webster County School District will not allow delivery of balloons to any campus. Other deliveries will be accepted as long as they do not interfere with instruction or create dangerous situations.

DISCIPLINE (School Board Policy JCA)

It should be fully understood that any student whose conduct interferes with the learning process of others will be removed from the classroom and dealt with accordingly. A student who repeatedly has discipline problems will be subject to suspension and/or expulsion from school.

1. A teaching situation that is conducive to learning must be maintained. Therefore, any student whose actions make it impossible for the teacher to devote full attention to the class will be disciplined, including but not limited to, being sent to the principal's office. A student who has been sent from class repeatedly will be suspended from school.
2. Students who are disrespectful or disobedient to any teacher or other personnel employed by the district will be subject to disciplinary measures.
3. Any student who starts a fight / disturbance -or participates in one will be suspended from school immediately and will be able to re-enter only after satisfactory assurance has been given in writing to the principal by the student and his/her parents/guardians that there will not be a recurrence of this sort of behavior.
4. Students refusing correction by word or deed from personnel of the school district will face disciplinary measures.
5. Student who commits an unlawful or violent act shall be subject to immediate suspension and recommendation of expulsion. An "unlawful activity" means any of, but is not limited to, the following: (School Board Policy JCBE)
 1. Possession or use of a deadly weapon
 2. Possession, sale, or use of any controlled substance
 3. Aggravated assault
 4. Simple assault upon any school employee
 5. Corridor courtesy requires that students walk in an orderly manner on the right side of the corridor. Students are to be quiet in the halls. Failure to abide with this policy will result in disciplinary action by the teacher and/or principal.

There will be a fee charged by the State of Mississippi to process your request. **Students cannot attend school without a certified birth certificate.**
2. **Record of Immunization** – These forms show that your child has received the necessary vaccinations required to attend school. They are provided through the Health Department or your child’s doctor. **Students cannot attend school without a Mississippi record of immunization. Each minor must attend school in the school district of his/her residency unless legally transferred to another school district by the school board. "Residency," for purposes of definition within this policy, shall be defined as something more than a superficial residence. MEMO

RE: Residency and Affidavits

A person's residence is his/her permanent place of abode, the place where the person typically lives, sleeps and eats on a daily basis. A person can have only one legal residence for school attendance purposes. A variety of means is used to verify residency, such as documents that prove residency including deeds, rental agreements, utility bills, etc. Webster County School District accepts residency affidavits as additional proof of residence. **A residency affidavit is a statement, under oath, swearing that the person signing the affidavit is a resident in a particular school district.** A residency affidavit must be accompanied by other documents such as those listed above that prove the individual is a resident in Webster County.

Once a person declares residency in a district, the district is entitled to follow up with home visits without prior notice to verify residency. The district is entitled to go into the home to inspect the premises to determine if there is evidence of permanent residency. This includes checking the refrigerator, pantry, bedrooms, closets and any other room in the residence to ensure that the person declaring residency is truly residing at that location. Any refusal to allow a school district to inspect the premises when requested will be deemed to constitute a non-residency situation and the student will be immediately removed from the school attendance rolls. Further, if the student had signed a residency affidavit, it will be voided and no further residency affidavits will be accepted from on behalf of that student. Even if no home visit is conducted, but the school district has reason to believe the residency affidavit is not truthful, the residency affidavit will be voided and the student will be removed immediately from school.

A serious violation of the student code of conduct may result in a recommendation for expulsion from the Webster County School District. Schoolwork missed as a result of expulsion may not be made up. **Students who have been expelled from school may not attend any function of the Webster County School District. This includes, but is not limited to, sporting events, field trips, plays, beauty reviews, etc. While serving a suspension, a student may not be on any school campus at any time.**

FIELD TRIPS

Field trips are an important extension of our school curriculum. In order for your child to benefit from these activities, appropriate behavior from all students is necessary. Webster County Schools reserves the right to prohibit students from attending field trips because of disruptive behavior. A student will not be allowed to go on field trips without written permission from the parent/guardian on the appropriate school form. If field trip forms and money have not been turned in by the designated date, the student may not be allowed to go on the field trip. Please read all instructions sent to you concerning lunches and money needed. Some of our field trips must be paid for in advance. Students will not be allowed to call for forgotten money or signed forms.

Students will ride the bus unless a parent/guardian is chaperoning a field trip and provides written consent for the student to ride with his/her parent only. No student will be allowed to ride with anyone other than his/her parent(s). Only the students in the classes that are going on a field trip and school personnel will be allowed to ride the bus. A parent may not ride the bus unless he/she is an employee of the school district. **If a student is suspended from the bus, he/she may not ride the field trip bus.** School and bus rules apply on field trips.

Teacher Support Team is a process to provide assistance to teachers in improving the academic and behavioral performance of students at risk. The team's purpose is to assist the classroom teacher to become more effective through finding and using resources. The process allows educators to help other educators improve student performance and well being. The State of Mississippi has, through State Board of Education Policy IEI, required this process be developed and implemented in a consistent and effective manner.

Interventions are based on the general education curriculum and are conducted within the regular education classroom.

The goals of Teacher Support Teams include:

- Maximizing individual's student success in general education
- Screen students who may be in need of special education services
- Reduce the number of inappropriate referrals for special education
- Meet the needs of diverse learners
- Remove educational, or behavioral stumbling blocks
- To decrease disproportionality

Teacher Support Teams Implement a three-tier process

- Tier 1 includes quality classroom instruction based on Mississippi Curriculum Standards
- Tier 2 includes focused supplemental instruction
- Tier 3 includes intensive interventions specially designed to meet the individual needs of the students.
